DIFFERENTIATORS

Wesley Janitorial always goes the extra mile to stand out.

- > **Supply-equipment Analysis** – A standard feature of new contracts to ensure our clients are taking advantage of the most cost-effective options
- > **In-house Staffing** – Contracts are never subbed out. Wesley employees oversee each task on every contract. This provides greater quality control.
- > **Unmatched Response Time** – Whether we are onsite or off, you can count on Wesley Janitorial to respond quickly to urgent concerns
- > **Green Cleaning** – We are committed to a healthier atmosphere. Whenever possible, we use cleaning methods and products that are environmentally friendly, yet still deliver the level of clean our clients expect

Wesley Janitorial Service is a commercial cleaning company with more than **30** years of experience. A second-generation firm, Wesley Janitorial's primary focus is consistently providing quality, detailed cleaning service that can be seen and felt.
